JOY COMMUNITY DEVELOPMENT CORPORATION

Dear Friends:

It is my pleasure to recognize the members of the Joy Community Development Corporation (JCDC), and everyone gathered for the *Putting Everyday People to Work* dinner. I extend my wishes for a successful event.

Founded by Reverend Salter, the JCDC has identified a critical mission – to serve as an innovative way for the church to get involved in solving the problems of the community. I commend the fundamental tenants of this important mission

The creation of new jobs and profitable endeavors through commercial and public partnerships are of vital importance to the state of New Jersey. By creating new jobs for New Jersey residents, you are impacting the lives of many and assuring a bright and prosperous future for us all. Your diligence and dedication have helped to maintain hope during a time of financial strain.

Again, best wishes for a memorable event.

Sincerely,
